Dear Sir,

Re: Request for Trading Halt

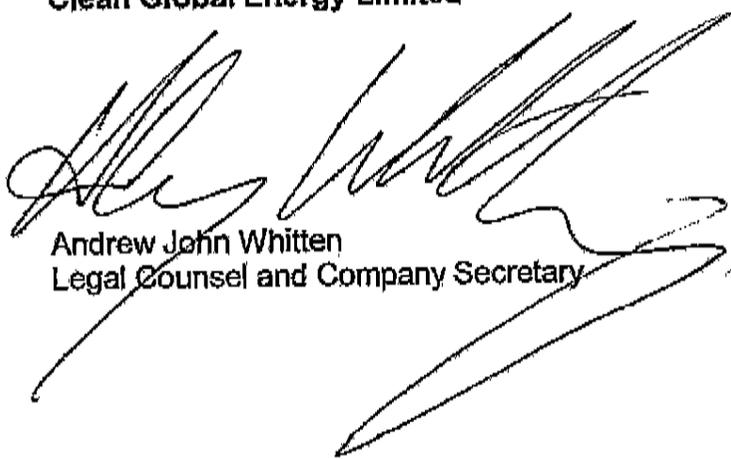

Pursuant to Listing Rule 17.1 Clean Global Energy Limited (CGV or the company) requests a trading halt of the Company's securities.

The reason for the request is due to the finalisation and pending announcement of a material capital raising.

The trading halt is requested until an announcement is made to the market which is expected to be made before the open of trading on Monday 28th March 2011.

The company is not aware of any reason why the trading halt should not be granted.
