Dear Sir,

Centro Retail Trust (ASX:CER) Suspension of trading

As noted in CER's announcement of 30 November 2011, the second Court hearing regarding Aggregation was held yesterday, 1 December 2011. The Supreme Court of New South Wales approved the schemes that effect Aggregation, however determined that the orders approving the scheme not be lodged with the Australian Securities and Investments Commission before 11.00 am on Friday 2 December 2011. This determination was made as a result of an application by PricewaterhouseCoopers.

The maximum time permitted by the ASX for a trading halt having elapsed, Centro Retail Trust (CER) therefore requests that the ASX grant a suspension of its stapled securities effective immediately pending announcement of the outcome of the above.

CER requests that the suspension be lifted on the making of that announcement.

Yours faithfully
