## ABN 73 122 948 805

### **NOTE 4: EVENTS SUBSEQUENT TO REPORTING DATE**

The Company completed a 1 for 1 non-renounceable pro-rata rights issue that opened on 8 July 2011 and closed on 22 July 2011. The rights issue was fully underwritten that resulted in 142,850,998 ordinary shares being issued raising \$714,255.

No matters have arisen since the end of the period that significantly affects the operations of the company, the results of these operations, or the state of affairs of the company in future years.

### **NOTE 5: GOING CONCERN BASIS OF ACCOUNTING**

The financial report has been prepared on the basis of going concern.

The consolidated entity incurred a loss of \$1,490,643 during the half-year ended 30 June 2011 and, as of that date, the consolidated entity's current liabilities exceeded its total assets by \$167,597. The projections of the consolidated entity evidence that the consolidated entity will require positive cash flows from sales and/or additional capital to continue operation. The Directors anticipate positive cash flow from sales to commence in the near future.

The consolidated entity's ability to continue as a going concern is contingent upon generating positive cashflow from sales and/or successfully raising additional capital. If additional funds are not generated or raised, the going concern basis may not be appropriate, with the result that the consolidated entity may have to realise its assets and extinguish its liabilities, other than in the ordinary course of business in amounts different from those stated in the financial report. No allowance for such circumstances has been made in the financial report.

### **NOTE 6: CONTINGENT LIABILITIES**

There has been no change in contingent liabilities since the last reporting date.

Liability limited by a scheme approved under Professional Standards Legislation

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Independence**

In conducting our review, we complied with the independence requirements of the Corporations Act 2001.

### **Conclusion**

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Island Sky Australia Limited is not in accordance with the Corporations Act 2001, including:

- a giving a true and fair view of the consolidated entity's financial position as at 30 June 2011 and of its performance for the half-year ended on that date; and

Without qualification to the conclusion expressed above, we draw attention to Note 5 to the financial statements which indicate that the consolidated entity incurred a net loss of \$1,490,643 during the half-year ended 30 June 2011 and, as of that date, the consolidated entity's current liabilities exceeded its total assets by \$167,597. The consolidated entity will require positive cash flow from sales and/or capital raising for the consolidated entity to continue development of their existing projects and for working capital.

These conditions, along with other matters as set forth in Note 5, indicate the existence of a material uncertainty which may cast doubt about the consolidated entity's ability to continue as a going concern and therefore the consolidated entity may be unable to realise its assets and discharge its liabilities in the normal course of business, and at the amounts stated in the financial report.
