

DOURADO RESOURCES LIMITED

ABN: 84 131 090 947

Dourado Resources Limited (DUO) is an Australian company with a portfolio of quality gold, copper and zinc exploration assets.

As a gold and copper explorer DUO is focused on a quality package of tenements in the Mid West Region of WA. Initial efforts are directed at two prospective areas.

Moolooqool/Diamond Well Projects

Current exploration work in the areas around Geochemical Zones 1 to 6 has led to the completion of a 48-hole RAB drilling program on the tracks. Samples from this program have been sent to the SGS laboratory. Another RAB drill program is planned to be completed on areas off track after approval by DMP.

Sabbath/Garden Gully Projects

Data from the resource drilling has been reviewed for the Project. Some areas have been identified for RC drilling to extend the resource down dip, along plunge and along strike. Two drill programs have been designed to test these areas with a total of 124 RC holes for about 15,000 meters.

Garden Gully North auger program Permit of Works has been granted and work is scheduled to begin soon.
