The Company is not in default in the performance or observance of any material obligation, agreement, covenant or condition contained in any indenture, mortgage, deed of trust or other material instrument or agreement to which it is a party or by which it is or its property is bound and neither the execution, nor the delivery by the Company, nor the performance by the Company of its obligations under this Agreement or any of the exhibits or attachments hereto will conflict with or result in the breach or violation of any of the terms or provisions of, or constitute a default or result in the creation or imposition of any lien or charge on any assets or properties of the Company under its Constitution, any material indenture, mortgage, deed of trust or other material agreement applicable to the Company or instrument to which the Company is a party or by which it is bound, or any statute, or any decree, judgment, order, rules or regulation of any court or governmental agency or body having jurisdiction over the Company or its properties, in each case which default, lien or charge is likely to cause a Material Adverse Effect on the Company's business or financial condition.

Section 4.8. Absence of Events of Default. No Event of Default, as defined in the respective agreement to which the Company is a party, and no event which, with the giving of notice or the passage of time or both, would become an Event of Default (as so defined), has occurred and is continuing, which would have a Material Adverse Effect on the Company's business, properties, prospects, financial condition or results of operations.

Section 4.9. Intellectual Property Rights. The Company and its subsidiaries own or possess adequate rights or licenses to use all material trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, governmental authorizations, trade secrets and rights necessary to conduct their respective businesses as now conducted. The Company and its subsidiaries do not have any knowledge of any infringement by the Company or its subsidiaries of trademark, trade name rights, patents, patent rights, copyrights, inventions, licenses, service names, service marks, service mark registrations, trade secret or other similar rights of others, and, to the knowledge of the Company, there is no claim, action or proceeding being made or brought against, or to the Company's knowledge, being threatened against, the Company or its subsidiaries regarding trademark, trade name, patents, patent rights, invention, copyright, license, service names, service marks, service mark registrations, trade secret or other infringement; and the Company and its subsidiaries are unaware of any facts or circumstances which might give rise to any of the foregoing.

Any real property and facilities held under lease by the Company and its subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its subsidiaries.

Section 4.13. Insurance. The Company and each of its subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of the Company believes to be prudent and customary in the businesses in which the Company and its subsidiaries are engaged. Neither the Company nor any such subsidiary has been refused any insurance coverage sought or applied for and neither the Company nor any such subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not materially and adversely affect the condition, financial or otherwise, or the earnings, business or operations of the Company and its subsidiaries, taken as a whole.

Section 4.14. Regulatory Permits. The Company and its subsidiaries possess all material certificates, authorizations and permits issued by the appropriate federal, state or foreign regulatory authorities necessary to conduct their respective businesses and neither the Company nor any such subsidiary has received any notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit.

Section 4.16. No Material Adverse Breaches, etc. Save as previously disclosed by the Company, neither the Company nor any of its subsidiaries is subject to any charter, corporate or other legal restriction, or any judgment, decree, order, rule or regulation which in the judgment of the Company's officers has or is expected in the future to have a Material Adverse Effect on the business, properties, operations, financial condition, results of operations or prospects of the Company or its subsidiaries. Except as set forth in the ASIC/ASX Documents, neither the Company nor any of its subsidiaries is in breach of any contract or agreement which breach, in the judgment of the Company's officers, has or is expected to have a Material Adverse Effect on the business, properties, operations, financial condition, results of operations or prospects of the Company or its subsidiaries.

Section 4.17. Absence of Litigation. Save as previously disclosed by the Company, there is no action, suit, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending against or affecting the Company, the Ordinary Shares or any of the Company's subsidiaries, wherein an unfavorable decision, ruling or finding would (i) have a Material Adverse Effect on the transactions contemplated hereby (ii) adversely affect the validity or enforceability of, or the authority or ability of the Company to perform its obligations under, this Agreement or any of the documents contemplated herein, or (iii) have a Material Adverse Effect on the business, operations, properties, financial condition or results of operation of the Company and its subsidiaries taken as a whole.

The Company and each of its subsidiaries has made or filed all federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject and (unless and only to the extent that the Company and each of its subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes) has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company know of no basis for any such claim.

Section 4.20. Certain Transactions. None of the officers, directors, or employees of the Company is presently a party to any transaction with the Company (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any corporation, partnership, trust or other entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner.

Section 4.26. Dilutive Effect. The Company understands and acknowledges that the number of Ordinary Shares issuable upon purchases pursuant to this Agreement will increase in certain circumstances including, but not necessarily limited to, the circumstance wherein the trading price of the Ordinary Shares declines during the period between the Effective Date and the end of the Commitment Period. The Company's executive officers and directors have studied and fully understand the nature of the transactions contemplated by this Agreement and recognize that they have a potential dilutive effect on the shareholders of the Company. The Board of Directors of the Company has concluded, in its good faith business judgment, and with full understanding of the implications, that such issuance is in the best interests of the Company. The Company specifically acknowledges that, subject to such limitations as are expressly set forth in the Agreement, its obligation to issue Ordinary Shares upon purchases pursuant to this Agreement is absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interests of other shareholders of the Company.

Section 4.27. Acknowledgment Regarding Investor's Purchase of Shares. The Company acknowledges and agrees that the Investor is acting solely in the capacity of an arm's length investor with respect to this Agreement and the transactions contemplated hereunder. The Company further acknowledges that the Investor is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereunder and any advice given by the Investor or any of its representatives or agents in connection with this Agreement and the transactions contemplated hereunder is merely incidental to the Investor's purchase of the Ordinary Shares hereunder. The Company is aware and

acknowledges that it may not be able to request Advances under this Agreement if any issuances of Ordinary Shares pursuant to any Advances would violate any listing rules of the Principal Market. The Company further is aware and acknowledges that any fees paid pursuant to Section 12.4 hereunder or shares issued pursuant to Section 12.4 hereunder shall be earned on the date hereof and not refundable or returnable under any circumstances

Section 4.28. No Legal Advice From the Investor. The Company is relying solely on such counsel and advisors and not on any statements or representations of the Investor or any of its representatives or agents for legal, tax or investment advice with respect to this investment, the transactions contemplated by this Agreement or the securities laws of any jurisdiction. The Company is not relying on any representation except for the representations of the Investor contained in this Agreement.

Section 4.29. No Similar Transactions. The Company has not entered into any transaction similar in nature to the one described in this Agreement.

Section 4.30 Intentionally Deleted.

Section 4.32 Other Transactions. During the Term of the Reserve Equity Financing, the Company will be prohibited from effecting or entering into (i) an agreement to effect any financing involving the sale of debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive additional shares of Ordinary Shares at a price that is based upon and/or varies with the trading prices of Company's Ordinary Shares at any time after the initial issuance of such securities or is subject to reset upon the occurrence of specified or contingent events and (ii) any agreement, including but not limited to an Equity Line of Credit, whereby the Issuer may sell securities at a future determined price. The Company confirms that it has not entered into any an agreement with any other fund or entity to effect any financing involving the sale of debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive additional shares of Ordinary Shares at a price that is based upon and/or varies with the trading prices of Company's Ordinary Shares at any time after the initial issuance of such securities or is subject to reset upon the occurrence of specified or contingent events and (ii) any agreement, including but not limited to an Equity Line of Credit, whereby the Issuer may sell securities at a future determined price.

ARTICLE V. Indemnification

The Investor and the Company represent to the other the following with respect to itself:

Section 5.1. Indemnification.

(a) In consideration of the Investor's execution and delivery of this Agreement, and in addition to all of the Company's other obligations under this Agreement, the Company shall defend, protect, indemnify and hold harmless the Investor, and all of its officers, directors, partners, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) (collectively, the "Investor Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and expenses in connection therewith (irrespective of whether any such Investor Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by the Investor Indemnitees or any of them as a result of, or arising out of, or relating to (a) any misrepresentation or breach of any representation or warranty made by the Company in this Agreement or any other certificate, instrument or document contemplated hereby or thereby, (b) any breach of any covenant, agreement or obligation of the Company contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby, or (c) any cause of action, suit or claim brought or made against such Investor Indemnitee not arising out of any action or inaction of an Investor Indemnitee, and arising out of or resulting from the execution, delivery, performance or enforcement of this Agreement or any other instrument, document or agreement executed pursuant hereto by any of the Investor Indemnitees. To the extent that the foregoing undertaking by the Company may be unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under applicable law.

(b) Contribution. In the event that the indemnity provided in Section 5.1 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company severally agrees to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively "Losses") to which the Company may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand from transactions contemplated by this Agreement. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the Investor severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Investor on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total proceeds from the offering (net of underwriting discounts and commissions but before deducting expenses) received by it, and benefits received by the Investor shall be deemed to be equal to the total discounts received by the Investor. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Investor on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Investor agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this section shall be deemed to include any legal or other expenses reasonably incurred

by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission. Notwithstanding the provisions of this section the Investor shall not be required to contribute any amount in excess of the amount by which the Purchase Price for Shares actually purchased pursuant to this Agreement exceeds the amount of any damages which the Investor has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Article V, each person who controls the Investor within the meaning of Section 50AA of the Corporations Act and each director, officer, employee and agent of the Investor shall have the same rights to contribution as the Investor, and each person who controls the Company within the meaning of Section 50AA of the Corporations Act, and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this section.

(c) The remedies provided for in this Article V are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified person at law or in equity. The obligations of the parties to indemnify or make contribution under this Article V shall survive termination.

Section 5.2 Notification of Claims for Indemnification. Each party entitled to indemnification under this Article V (an "Indemnified Party") shall, promptly after the receipt of notice of the commencement of any claim against such Indemnified Party in respect of which indemnity may be sought from the party obligated to indemnify such Indemnified Party under this Article V (the "Indemnifying Party"), notify the Indemnifying Party in writing of the commencement thereof. Any such notice shall describe the claim in reasonable detail. The failure of any Indemnified Party to so notify the Indemnifying Party of any such action shall not relieve the Indemnifying Party from any liability which it may have to such Indemnified Party (a) other than pursuant to this Article V or (b) under this Article V unless, and only to the extent that, such failure results in the Indemnifying Party's forfeiture of substantive rights or defenses or the Indemnifying Party is prejudiced by such delay. The procedures listed below shall govern the procedures for the handling of indemnification claims.

(a) Any claim for indemnification for Indemnified Liabilities that do not result from a Third Party Claim as defined in the following paragraph, shall be asserted by written notice given by the Indemnified Party to the Indemnifying Party. Such Indemnifying Party shall have a period of thirty (30) days after the receipt of such notice within which to respond thereto. If such Indemnifying Party does not respond within such thirty (30) day period, such Indemnifying Party shall be deemed to have refused to accept responsibility to make payment as set forth in Section 5.1. If such Indemnifying Party does not respond within such thirty (30) day period or rejects such claim in whole or in part, the Indemnified Party shall be free to pursue such remedies as specified in this Agreement.

(b) If an Indemnified Party shall receive notice or otherwise learn of the assertion by a person or entity not a party to this Agreement of any threatened legal action or claim (collectively a "Third Party Claim"), with respect to which an Indemnifying Party may be obligated to provide indemnification, the Indemnified Party shall give such Indemnifying Party written notice thereof within twenty (20) days after becoming aware of such Third Party Claim.

(c) An Indemnifying Party may elect to defend (and, unless the Indemnifying Party has specified any reservations or exceptions, to seek to settle or compromise) at such Indemnifying Party's own expense and by such Indemnifying Party's own counsel, any Third Party Claim. Within thirty (30) days after the receipt of notice from an Indemnified Party (or sooner if the nature of such Third Party Claim so requires), the Indemnifying Party shall notify the Indemnified Party whether the Indemnifying Party will assume responsibility for defending such Third Party Claim, which election shall specify any reservations or exceptions. If such Indemnifying Party does not respond within such thirty (30) day period or rejects such claim in whole or in part, the Indemnified Party shall be free to pursue such remedies as specified in this Agreement. In case any such Third Party Claim shall be brought against any Indemnified Party, and it shall notify the Indemnifying Party of the commencement thereof, the Indemnifying Party shall be entitled to assume the defense thereof at its own expense, with counsel satisfactory to such Indemnified Party in its reasonable judgment; provided, however, that any Indemnified Party may, at its own expense, retain separate counsel to participate in such defense at its own expense. Notwithstanding the foregoing, in any Third Party

Claim in which both the Indemnifying Party, on the one hand, and an Indemnified Party, on the other hand, are, or are reasonably likely to become, a party, such Indemnified Party shall have the right to employ separate counsel and to control its own defense of such claim if, in the reasonable opinion of counsel to such Indemnified Party, either (x) one or more significant defenses are available to the Indemnified Party that are not available to the Indemnifying Party or (y) a conflict or potential conflict exists between the Indemnifying Party, on the one hand, and such Indemnified Party, on the other hand, that would make such separate representation advisable; provided, however, that in such circumstances the Indemnifying Party (i) shall not be liable for the fees and expenses of more than one counsel to all Indemnified Parties and (ii) shall reimburse the Indemnified Parties for such reasonable fees and expenses of such counsel incurred in any such Third Party Claim, as such expenses are incurred, provided that the Indemnified Parties agree to repay such amounts if it is ultimately determined that the Indemnifying Party was not obligated to provide indemnification under this Article IX. The Indemnifying Party agrees that it shall not, without the prior written consent of the Indemnified Party, settle, compromise or consent to the entry of any judgment in any pending or threatened claim relating to the matters contemplated hereby (if any Indemnified Party is a party thereto or has been actually threatened to be made a party thereto) unless such settlement, compromise or consent includes an unconditional release of such Indemnified Party from all liability arising or that may arise out of such claim. The Indemnifying Party shall not be liable for any settlement of any claim effected against an Indemnified Party without the Indemnifying Party's written consent, which consent shall not be unreasonably withheld, conditioned or delayed. The rights accorded to an Indemnified Party hereunder shall be in addition to any rights that any Indemnified Party may have at common law, by separate agreement or otherwise; provided, however, that notwithstanding the foregoing or anything to the contrary contained in this Agreement, nothing in this Article V shall restrict or limit any rights that any Indemnified Party may have to seek equitable relief.

ARTICLE VI.

For the purposes of this Agreement, the term "Prohibited Transaction" shall refer to the issuance by the Company of any "future priced securities," which shall mean

the issuance of Ordinary Shares or securities of any type whatsoever that are, or may become, convertible or exchangeable into Ordinary Shares where the purchase, conversion or exchange price for such Ordinary Shares is determined using any floating discount or other post-issuance adjustable discount to the market price of Ordinary Shares, including, without limitation, pursuant to any equity line financing that is substantially similar to the financing provided for under this Agreement, provided that any future issuance by the Company of (i) a convertible security ("Convertible Security") that (A) contains provisions that adjust the conversion price of such Convertible Security in the event of stock splits, dividends, distributions, reclassifications or similar events or pursuant to anti-dilution provisions or (B) is issued in connection with the Company obtaining debt financing for research and development purposes where the issuance of Convertible Securities is conditioned upon the Company meeting certain defined clinical milestones, (ii) securities in a registered direct public offering or an unregistered private placement where the price per share of such securities is fixed concurrently with the execution of definitive documentation relating to the offering or placement, as applicable and (iii) securities issued in connection with a secured debt financing, shall not be a Prohibited Transaction.

The Company shall not, at any time after the delivery of an Advance Notice and before the Advance Date applicable to such Advance Notice, effect any merger or consolidation of the Company with or into, or a transfer of all or substantially all the assets of the Company to another entity (a "Consolidation Event") unless the resulting successor or acquiring entity (if not the Company) assumes by written instrument the obligation to deliver to the Investor such shares of stock and/or securities as the Investor is entitled to receive pursuant to this Agreement.

Section 6.9. Intentionally Deleted.

Section 6.10. Review of Public Disclosures. All press releases referencing the Investor shall first be approved by Investor prior to release.

Section 6.11. Market Activities. The Company will not, directly or indirectly take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Ordinary Shares or (ii) sell, bid for or purchase the Ordinary Shares, or pay anyone any compensation for soliciting purchases of the Ordinary Shares.

Section 6.12. Listing of Shares. The Company will use commercially reasonable efforts to cause the Shares to be listed on the Principal Market.

Section 6.13. Lock-Up Period. The Company shall cause its officers and directors to refrain from buying and/or selling Common Stock during each Pricing Period.

Section 6.14. No Brokers, Finders or Financial Advisory Fees or Commissions. No brokers, finders or financial advisory fees or commissions will be payable by the Company, its agents or Subsidiaries, with respect to the transactions contemplated by this Agreement, except as otherwise disclosed in this Agreement.

Section 6.15. Transactions With Affiliates. The Company shall not, and shall cause each of its Subsidiaries not to, enter into, amend, modify or supplement, or permit any Subsidiary to enter into, amend, modify or supplement, any agreement, transaction, commitment or arrangement with any of its or any Subsidiary's officers, directors, persons who were officers or directors at any time during the previous two (2) years, shareholders who beneficially own 5% or more of the Common Stock, or Affiliates or with any individual related by blood, marriage or adoption to any such individual or with any entity in which any such entity or individual owns a 5% or more beneficial interest (each a "Related Party"), except for (I) customary employment arrangements and benefit programs on reasonable terms, (II) any agreement, transaction, commitment or arrangement on an arms-length basis on terms no less favorable than terms which would have been obtainable from a disinterested third party other than such Related Party, or (III) any agreement, transaction, commitment or arrangement which is approved by a majority of the disinterested directors of the Company. For purposes hereof, any director who is also an officer of the Company or any Subsidiary of the Company shall not be a disinterested director with respect to any such agreement, transaction, commitment or arrangement. "Affiliate" for purposes hereof means, with respect to any person or entity, another person or entity that, directly or

(f) No Suspension of Trading in or Delisting of Ordinary Shares. The Ordinary Shares are trading on a Principal Market. The trading of the Ordinary Shares is not suspended by the ASX.
