Dear Mr Black/Ms Nguyen

**Spark Infrastructure Group (ASX Code: SKI)
Request for Trading Halt**

In accordance with Listing Rule 17.1, Spark Infrastructure Group (**Spark Infrastructure**) requests that an immediate trading halt be granted by the Australian Securities Exchange (**ASX**) with respect to SKI's ordinary stapled securities.

Spark Infrastructure proposes to shortly make an announcement to the market regarding a proposed capital raising. The trading halt is necessary to ensure the institutional component of the capital raising can take place in an orderly fashion.

Spark Infrastructure requests that the trading halt commences before open of trading today and lasts until the commencement of normal trading on 24 September 2010, unless Spark Infrastructure requests that the trading halt be lifted before that time.

Spark Infrastructure is not aware of any reason why the trading halt should not be granted, nor is it aware of any other information necessary to inform the market or ASX about the trading halt.

Yours sincerely
