### TRANSFIELD SERVICES INFRASTRUCTURE FUND ANNOUNCES COMPLETION OF SALE OF MT MILLAR WIND FARM

Transfield Services Infrastructure Fund (TSI Fund) announced that today it has completed the \$191 million sale of the Mt Millar Wind Farm in South Australia to Meridian Energy Limited, New Zealand's largest energy generator.

The receipt of the \$191 million in sale proceeds follows the \$78.4 million (net of related fees) received on 27 May 2010 under the institutional and early retail components of the Equity Offer, with the funds being used to repay debt. The retail offer period of the Equity Offer closes at 5pm on 3 June 2010 and TSI Fund expects to receive a further \$28 million shortly thereafter.

Chief Executive Officer, Mr Steve MacDonald, said today: "The sale of Mt Millar Wind Farm, in conjunction with the other initiatives announced as part of the capital structure review, will allow TSI Fund to continue to deliver attractive and sustainable distributions."
