ASX Announcement

9th February 2010

In Specie Distribution

The Directors of Trafford Resources Limited (ASX:TRF) wish to advise that the despatch of Robust Resources (ASX:ROL) Holding Statements, representing the in specie distribution of 3,600,000 ROL Ordinary Shares to Trafford Shareholders and originally anticipated to be despatched on 5th February 2010 has been delayed. The delay is, in part due to the large volume of TRF Shareholders and the requirement of The Australian Taxation Office for TRF to calculate and withhold tax from those Shareholders who have not submitted a Tax File Number.

It is anticipated that the despatch of Holding Statements will occur shortly, at which time TRF will announce it to the market.

Trafford will retain a total of 7.2 million shares in Robust, which represents approximately 13.6% of Robust's current issued capital.

Yours faithfully

Neil W. McKay
Company Secretary
