Dear Sir/Madam,

Seed Capital Raising

WinTech Group Limited (ASX: WTG) is pleased to announce that it has agreed to terms for a Seed Capital Raising in conjunction with Ramscope Pty Ltd.

After successful completion of the capital raising to professional and sophisticated investors, realising \$400,000 before costs, WTG intends to use the capital:

- To finance the review and due diligence of potential business acquisitions;
- To finance the capital raising initiatives to allow for business acquisition/s;
- For general working capital; and
- To cover all associated cost for WTG to re-list onto the ASX

WTG intends to allocate 80 million ordinary shares at \$0.005 per share to raise the necessary \$400,000.

WTG has entered into a three-month exclusive mandate with Ramscope to review and assess business opportunities that best represent near-term shareholder value. WTG will update the market as and when these initiatives are complete.
