**About Compumedics** Compumedics Limited, was founded in **1987** by current Chairman/CEO Dr. David Burton and today is a global leader in the design and manufacture of diagnostic technologies for sleep disorders, neurophysiology and cardiology. In **1987** Compumedics established Asia Pacific's first fully computerized sleep laboratory. Compumedics holds 80% share of the Australian sleep-diagnostic market, and has a major and rapidly growing presence in the US, European and Asian marketplaces for its sleep, neurological, and Doppler blood-flow diagnostic monitoring devices. In **1995** the company was selected to supply equipment to the US Sleep Heart Health Study, the world's largest sleep study of its kind, with over 8,000 participants scheduled by 2008. With headquarters in Melbourne, Australia and offices in the United States, and Europe its products are distributed in over 50 countries. In **1998** Compumedics was awarded the overall Australian Exporter of the Year. In **2000** Compumedics was listed on the Australian Stock Exchange. In **2002**, Compumedics acquired US-based **Neuroscan** - the world's leading supplier of instruments for brain research. In the US - the world's largest medical device market - Neuroscan holds around 90% of the market for brain-research products. In **2003** Compumedics was awarded the Frost & Sullivan Award for Market Expansion Strategy. In **2004**, Compumedics acquired Germany-based **DWL Elektronische Systeme GmbH**, enabling Compumedics to expand its global operations into the neurovascular and cardio-vascular diagnostic fields. In **2006**, Compumedics was awarded the Frost and Sullivan Technology Leadership award for its innovative Somté® recorder product. In **2007**, Compumedics and its Chairman were inducted into the Victorian Manufacturing Hall of Fame. In **2008** the DWL division received a top 100 German Innovation award. With 20,000 systems installed globally across the finest hospital, universities and clinics Compumedics sales have grown more than 4-fold from \$9 million (1999) to \$39 million (2008). In **2009** Compumedics was awarded a design award for its GRAEL® PSG/EEG premium laboratory-based product. In **2010** Compumedics was recognized by the Australian Innovation Government and Industry body as one of Australia's Top 100 Health Innovators through its' world leading devices for sleep diagnostics. **For further background please visit: [www.compumedics.com](http://www.compumedics.com)**
