Carrick Gold Limited Information To Be Available Through Standard & Poor's Market Access Program

Carrick Gold Limited (OTCBB:CKGDY) announced today that its company information will be made available via Standard & Poor's Market Access Program, an information distribution service that enables subscribing publicly traded companies to have their company information disseminated to users of Standard & Poor's Advisor Insight. The company information to be made available through this program includes share price, volume, dividends, shares outstanding, company financial position, and earnings. Standard & Poor's Advisor Insight is an Internet-based research engine used by more than 100,000 investment advisors. A public version of the site is available at the website marketscope.com.

In addition, information about companies in Standard & Poor's Market Access Program will be available via S&P's Stock Guide database, which is distributed electronically to virtually all major quote vendors. As part of the program, a full description of Carrick Gold Limited will also be published in the Daily News section of Standard Corporation Records, a recognized securities manual for secondary trading in up to 38 states under their Blue Sky Laws.

About Carrick Gold Limited

Carrick Gold Limited (ASX Code: CRK) is a gold exploration and development company based in Perth, Western Australia.

Carrick's vision is to deliver exceptional shareholder returns through the discovery, delineation and development of mineable precious metals.

The Company's suite of tenements covers an area of over 450km² and is located within 50 - 90km of the world-renowned gold-mining town of Kalgoorlie, Western Australia.

Three gold deposits have been discovered - at the Lindsay's, Kalpini and Kurnalpi's Brilliant project – with a host of other prospects in the exploration pipeline.

The Company is focussed on developing its three main projects toward production.

With over \$20 million cash at bank, Carrick is debt-free and well-funded to the pursue exploration and development of its projects.
