We refer to the lodgement of Appendix 4E for the financial period 12 months to 30th June 2010.

Our auditor advises that they will have the audit report prepared within the next three weeks, so we wish to advise that the Audit/Review Status on page 4 of the appendix 4E should have "N/A" against the box "The accounts have been audited", and "YES" against the box for "The accounts are in the process of being audited or subject to review".
