METROLAND'S PERFORMANCE

The consolidated entity is continuing its strategic direction in property development, management and related services. The loss after tax for the 2010 financial year is \$1.66 million compared to the previous year's profit after tax of \$633,000.

The loss for the 2010 year is mainly attributable to the increase in total interest expense for the year of \$1.9m. This increase is due to an increase in the rate of interest and the expensing of interest on the loan facility for the Greenway Supacenta since its completion at the beginning of the 2010 financial year. In prior periods, when the Supacenta was under construction, interest costs on the loan were capitalised as part of the cost of construction. The leasing of the Supacenta has been slower than what had been expected resulting in operating losses for the Supacenta in the 2010 year.

Property Investment & Rental

The Greenway Supacenta

The Greenway Supacenta was completed at the end of the last financial year. As advised last year, Officeworks commenced trading in March 2009 followed with Fernwood Gym, which commenced trading in November 2009. A conditional lease of 15,000 sq.m has not proceeded due to the conditions not being satisfied. During the year, the Road & Traffic Authority has been successfully re-located to the new Supacenta taking up approximately 800.sqm. The old RTA site with an area of approximately 500 sq.m will be taken up by a chemist which will offer a higher rental income. Heads of Agreement has been executed with Spotlight in August 2010 for the leasing of approximately 2,500 sq.m. A joint venture between the municipal government of Shenzhen and a Chinese company had opened their door in August 2010 to conduct wholesale and exhibition of goods from China. The Company is confident that given time, the Centre will move to full occupancy bar a few empty spaces when some tenancies expire.

Wentworthville Mall, Wentworthville

Refurbishment work due to the fire in July 2008 was completed in August 2009 and the centre was re-launched in October 2009. In the year, we have filled the tenancies of a butcher, a health and massage centre. The Centre is working to have the 3 food-kiosks tenanted and is talking to some interesting parties.

Campbelltown Square Shopping Centre

There is also improvement in the leasing of the Campbelltown Shopping Centre where most of the empty shops have now been leased. Negotiation has commenced with Council with the view of future development of the site.

Property Development

Metroland's joint venture of the Chinatown development has moved to the stage of awaiting the final approval from the City Council. The development will comprise of 2 blocks of residential towers of 15 levels giving 240 units and 7,000 sq.m of retail covering 3 levels of retails.

It is anticipated that pre-sale of the apartments will commence in November 2010 upon DA approval.

Property Management

Stratawide Management Pty Limited

Stratawide is maintaining its growth and is contributing to the revenue of the Group.

Further Opportunities

Metroland is continuing to seek opportunities to further strengthen its revenue base and to achieve further growth.
