Goodman quarterly operational update – September 2010

Date 15 November 2010

Release Immediate

Goodman Group (Goodman or Group) has today announced an operational update for the quarter ended 30 September 2010. Key operational highlights for the period are:

- + **400,000 sqm leased across the Group and managed funds with 3.2% rental growth, representing \$38.7 million of net property income**
- + **Stable occupancy at 95% for the direct portfolio and 93% across the Group and managed funds with a weighted average lease expiry of 5.3 years**
- + **\$235 million of new development commitments secured during the quarter, with a further \$252 million of new commitments secured post 30 September**
- + **94% pre-committed and 100% pre-sold on new commitments¹**
- + **Assets under management stable at \$12.7 billion on a constant currency basis**
- + **New initiatives announced (post 30 September) relate to the privatisation of J-REP (Japan) and ING Industrial Fund**
- + **A range of new capital management initiatives including:**
 - **Completed US\$325 million bond issue in the United States 144A/Reg S bond market**
 - **€300 million fully underwritten equity raising for Goodman European Logistics Fund**
 - **A\$268 million of land sales in Hong Kong and the United Kingdom**

Goodman Group Chief Executive Officer, Mr Greg Goodman said, “Today’s quarterly update highlights the solid start that the Group has made in the 2011 financial year. The range of initiatives undertaken during the period reflects the momentum that continues to build across our operations and demonstrates that Goodman is well positioned to capitalise on high quality opportunities. Accordingly, we reaffirm our operating EPS guidance of 5.3 to 5.5 cents.”
