## ASX ANNOUNCEMENT

---

### COMPLETION OF NEW BANKING FACILITY

Leading residential developer GEO Property Group (ASX: GPM) is pleased to announce it has executed all documentation relating to the establishment of the Group's new primary banking facility.

The Group previously advised it had signed a non-binding terms sheet for a new \$120 million facility. As part of the final documentation process GEO determined a facility of \$110 million would better suit the current requirements of the Group.

The facility is a renewable facility, which currently expires on 1 September 2012 and contains covenants typical for ASX-listed land developers.

The lending syndicate comprises ANZ and Westpac.
