#### QUARTERLY CASH FLOW – APPENDIX 4C

---

Following is the Company's Appendix 4C for the quarter ended 30 June 2013.

The Directors of SFP are extremely conscious of their low cash balance as at June 30. In the subsequent period communications have been opened with parties who are working through initial due diligence activities with a view to funding the Company and the acquisition of Kisara.

In the interim, background work on the Kisara projects in Brazil continues with the view to the projects being readied for exploration activities once the acquisition has been finalised.
