About Southern Hemisphere Mining Limited

Southern Hemisphere Mining Limited (ASX Code "**SUH**") is an emerging copper-gold explorer and developer focused on **Chile, South America**, the world's leading copper producing country and one of the most prospective regions of the world for major new copper discoveries. Southern Hemisphere has accumulated a diverse portfolio of assets in Chile including two projects which are currently joint ventured with leading global mining companies.

The Company's focus is the **Llahuin Copper-Gold Project**, joint ventured with Lundin Mining, where the objective is to build a bulk tonnage **copper-gold operation**. The Company has signed a further agreement with Lundin Mining; the **Los Rulos Joint Venture**, which covers a prospective area close to Llahuin. Two prospect acquisitions: **Armandiño** and **Polvareda 2** have so far been executed under the new agreement.

The Company also holds the **Chitigua Copper Porphyry Project**, which is located on the Western Fault and joint ventured with global miner Anglo American plc.
