## **Singapore Post Smart Locker Network**

TZ Limited is pleased to confirm that the Singapore Post Smart Locker (POPStation) Network has been successfully commissioned and was officially launched to the Singapore public yesterday.

Five POPStations have been rolled out in an initial pilot phase to locations across Singapore. Each POPStation has about 115 lockers, with four different locker dimensions to cater to different parcel sizes.

TZ Limited is also pleased to confirm that Singapore Post has signalled its intentions to order additional Smart Lockers to expand the initial deployment, and to commence Phase 2 development of the Network which will include amongst other new features, a direct integration offering to e-commerce retailers to access and use the POPStation Network.

Subject to the market response to the POPStation Network, Singapore Post is contemplating rolling out up to 100 Locker Banks across Singapore.
