Viento signs MOU with Koodaideri Contracting Services

Viento Group Limited (Viento) is pleased to announce it has entered into a Memorandum of Understanding (MOU) with Koodaideri Contracting Services Pty Ltd (KCS) to establish strategic Joint Ventures and cooperative business arrangements.

The parties will market and tender for specific Pilbara mining opportunities in the Pilbara of Western Australia for construction and maintenance projects on associated native title lands of the Banyjima people.

Mr Nichevich, Executive Chairman of Viento said “signing of the MOU is an exciting and important opportunity for Viento. Viento Contracting Services Pty Ltd (VCS) is establishing itself to provide civil and bulk earthworks to the resources sector and this is a terrific opportunity to work with KCS, the indigenous local community and to access contracts with the major mining groups.”

Peter Todd, Managing Director of KCS commented that “KCS is excited to work with the proven expertise of the VCS team and Viento as an emerging mining services group. We look forward to a strong working relationship with the management and staff of Viento.”
