

ASX ANNOUNCEMENT

29 October 2013

CANCELLATION AND RE-PRICING OF ENTITLEMENTS OFFER

Pacific Ore Limited ("**Pacific**" or "**Company**") advises that it has cancelled its previously announced non-renounceable entitlements offer to acquire one (1) new ordinary share for every two (2) ordinary shares held at the record date at an issue price of \$0.02 per new ordinary share ("**Previous Offer**"), due to insufficient acceptances.

The Company received applications for 38,655,599 ordinary shares at an issue price of \$0.02 each under the Previous Offer, which includes applications for 13,000,000 ordinary shares from Directors of the Company and their related parties. All application monies received by the Company will be refunded within 7 days to those shareholders who took up their entitlement.

The Company will now undertake a new re-priced non-renounceable entitlements offer ("**New Offer**") to raise up to \$2.73 million before costs. Under the New Offer, shareholders will be entitled to acquire one (1) new ordinary share for every one (1) ordinary share held at the record date (to be determined) at an issue price of \$0.01 per new ordinary share.

The New Offer will enable the Company to continue exploration activities and to pursue new opportunities in the resources sector, and follows a recent cost cutting exercise which has significantly reduced the Company's overhead expenses.

Further details of the New Offer will be included in a Prospectus to be lodged by the Company in the coming days. An Appendix 3B for the New Offer accompanies this announcement.
