**\* NOTE:** The cash total shown at the end of the previous quarter (30 June 2013) differs from the cash total shown in the 2013 Annual Report of the company at year end. The reason is that the cash balance in the Annual Report excludes term deposits with Australian banks of \$1,200,000 because the term of those deposits was greater than three months and the deposits could not be classified as cash. Given that there is now less than 3 months until the deposits mature, they have been classified as cash for the purpose of this report.
