ASX Announcement

Date: 11th February 2013

ASX Code: COY

APPENDIX 3B ALLOTMENT OF SHARES AND OPTIONS

Further to the announcement of 4 February 2012, Coppermoly Limited ("the Company") advises that it has completed allotment procedures for the previously announced private placement of 6,250,000 shares at \$0.04 cents per share to professional and sophisticated investors, raising a total of \$250,000.00.

An Appendix 3B for the placement is attached to this announcement.

The funds raised are intended to be committed primarily to the next stage of exploration work on the company's Makmak Exploration Licence on the south coast of West New Britain. It is expected that further exploration work will be commenced during this month or by early March.

Convertible Notes and Options

Also attached to this announcement are Appendix 3B in relation to the 1,000,000 options (expiring 4 February 2016, with an exercise price \$0.05 cents) that have been issued to each of Mitchell River Group and Aviva Corporation Limited (each a **Noteholder**), in connection with convertible notes entered into between Coppermoly and each Noteholder.

As the convertible notes do not accrue interest, the options were issued in lieu of interest.

On behalf of the board,

Maurice Gannon
MANAGING DIRECTOR
