About Continental Coal Limited

Continental Coal Limited (ASX:CCC/AIM: COOL) is a South African thermal coal producer with a portfolio of projects located in South Africa's major coal fields including three operating mines, the Vlakvarkfontein, Ferreira and Penumbra Coal Mines, producing approx. 2.8Mtpa of thermal coal for the export and domestic markets. A Feasibility Study was also completed on a proposed fourth mine, the De Wittekrans Coal Project. The Company has concluded strategic off-take and funding agreements with EDF Trading for its export thermal coal production and secured debt funding from ABSA Capital to fund its growth.

Forward Looking Statement

Certain statements made during or in connection with this communication, including, without limitation, those concerning the economic outlook for the coal mining industry, expectations regarding coal prices, production, cash costs and other operating results, growth prospects and the outlook of Continental's operations including the likely commencement of commercial operations of the De Wittekrans project, its liquidity and the capital resources and expenditure, contain or comprise certain forward-looking statements regarding Company's development and exploration operations, economic performance and financial condition.

Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic and market conditions, success of business and operating initiatives, changes in the regulatory environment and other government actions, fluctuations in coal prices and exchange rates and business and operational risk management. For a discussion of such factors, refer to the Company's most recent annual report and half year report. The Company undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events.
