DIVIDEND REINVESTMENT PLAN (DRP) – 2012 FINAL DIVIDEND

CCA announces that the price at which shares will be allotted under the DRP is \$14.90.

The price is calculated using the daily volume weighted average market price (rounded down to the nearest cent) of all CCA shares sold on the ASX automated trading system during the period 4 March 2013 to 15 March 2013 (inclusive), being the 10 trading days commencing on the second trading day after the Record Date for the dividend.

The shares will be allotted on 2 April 2013.

Yours faithfully
