## Bligh Completes Leonora Tenement Sale to focus on Priority Prospects

Gold and manganese exploration company, Bligh Resources Limited, (“Bligh” or “Company”) (ASX: BGH) today announced the Company has rationalised its land holding in the Leonora region through the sale of nine tenements (see Table 1 below) for a total consideration of \$26,250. In addition, Bligh has relinquished a further twelve tenements with the remaining tenement holding shown in (Figure 1).

Bligh’s Chief Executive Officer, Robert Benussi, said, “The recent encouraging outcome from rock chip sampling at the Diorite King prospect in the Leonora region has allowed Bligh to determine the priority areas for follow up exploration.

“As such, Bligh has sold non-core tenements outside this area providing additional funds for ongoing exploration work, and relinquished further tenements to reduce ongoing servicing payments.”
