Update

The Directors of Mnemon (MNZ) have observed the increased price and trading of MNZ shares over the past week and in particular the last two trading days.

By way of update the Directors advise their due diligence investigations and documentation considerations in relation to DealsDirect Group Pty Limited are continuing. In this regard they refer to the announcements of October 8 and October 10, 2013 and the pricing of the recent placement by the Company.

The Directors will further update the market promptly of any determination they make with regard to DealsDirect Group Pty Limited and of any new information which comes to their attention which may affect the Company's share price.

By the order of the Board

John Hunter
Company Secretary
