Dear Ms Hewitt,

**NuCoal Resources Ltd (ASX : NCR) – Request for Trading Halt**

As you are aware, the New South Wales Independent Commission Against Corruption (**ICAC**) has been examining the circumstances surrounding the awarding of Exploration Licence 7270 to Doyles Creek Mining Pty Limited in December 2008 (**Operation Acacia**).

Pursuant to ASX Listing Rule 17.1 NuCoal Resources Ltd (the “**Company**”) requests a trading halt on its securities from the commencement of trading on Wednesday 18 December 2013 to consider the final report released by the ICAC today regarding Operation Acacia.

The trading halt is to last until the earliest of the Company releasing an announcement to the market or commencement of trading on Friday 20 December 2013.

The Company is not aware of any reason why the trading halt should not be granted.

Thank you for your assistance.

Kind Regards,

Megan Etccl  
Company Secretary
