## Longtom Operational Update

---

Nexus Energy Limited (ASX:NXS) (Nexus) advises that, further to previously issued operational updates, the offshore intervention program that commenced on 13 May 2013 to restore production at Longtom has been completed and gas production recommenced on 26 May 2013.

As part of the Santos Limited led offshore program, Nexus completed maintenance works on Nexus' offshore facilities. These maintenance works were successfully completed on time and under budget and fulfil the planned 2013 calendar year maintenance activities.
