Attention: Company Announcements Office

11 April 2013

Dear Sirs,

Clarification in relation to Camel Creek JV Scoping Study

On 9 April 2013, Northwest announced the results of a scoping study and preliminary economic assessment of the Company's 50% interest in the Camel Creek Joint Venture. Northwest's partner in the Joint Venture is Millennium Minerals Limited (ASX: MOY, "**Millennium**").

Millennium has requested, and Northwest is pleased to clarify, that Millennium was not involved in the scoping study and preliminary economic assessment. All views expressed or implied are Northwest's alone.

Yours faithfully,

John Merity
Managing Director
