

ASX & MEDIA RELEASE

18 January 2013

December 2012 quarterly cash flow report

Iatia Limited (IAT:ASX) is pleased to submit its quarterly report in the form of Appendix 4C for the period ended 31 December 2012.

Given the significantly reduced cash requirements following the sale of Iatia Limited's operating subsidiary, short term loans being provided by the Directors and major shareholder of Iatia Limited and funding arrangements being put in place, Iatia Limited expects to have sufficient funds to meet its working capital requirements for the foreseeable future.

On 18 December 2012 Iatia announced its intention to acquire Onwide (H.K.) Investment Group Limited (Onwide Acquisition) and undertake a public share offer (Capital Raising). Expenditure during the period associated with Capital Raising and Onwide Acquisition amounted to (\$0.022) million. Further details on Onwide Acquisition and Capital Raising are available in the ASX announcement lodged on 18 December 2012.

Iatia remains committed to keeping shareholders informed and up to date at all times and will make an announcement as further news becomes available.

Quarterly report for entities
admitted on the basis of commitments

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 1026: Statement of Cash Flows* apply to this report except for the paragraphs of the Standard set out below.
 - 6.2 - reconciliation of cash flows arising from operating activities to operating profit or loss
 - 9.2 - itemised disclosure relating to acquisitions
 - 9.4 - itemised disclosure relating to disposals
 - 12.1(a)- policy for classification of cash items
 - 12.3 - disclosure of restrictions on use of cash
 - 13.1 - comparative information
3. **Accounting Standards.** ASX will accept, for example, the use of International Accounting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.

+ See chapter 19 for defined terms.
