ASX Announcement

SALE OF PROPERTY AT 113 MACKIE STREET VICTORIA PARK

Following an extended advertising campaign, Iron Mountain Mining Limited (the “Company” ASX: IRM) is pleased to announce settlement on the sale of its property at 113 Mackie Street, Victoria Park, WA. Net proceeds to the company from the sale will amount to \$632,239.

The property at 113 Mackie St had become surplus to the requirements of the Company and a decision was made to divest this non-core property asset. The Company entertained a number of interested parties before finally accepting an offer which satisfied the Company’s expectations, contract terms and local council regulations.
