Dear Sir

**GOODMAN PLUS (GMPPA) DISTRIBUTION RATE FOR THE PERIOD 1 OCTOBER 2013 –
31 DECEMBER 2013 - CORRECTION**

We refer to the announcement made earlier today setting out the Distribution Rate for the Distribution Period from 1 October 2013 to 31 December 2013 inclusive. We have since been informed by the Australian Financial Markets Association that the BBSW rate published by them was incorrect.

The updated rates have now been included and are as follows:

- + the Market Rate is the average mid-rate for bills for a term of 90 days as determined on the first business day of the Distribution Period, which is 2.5567%; and
- + the Margin is 3.9000%.

Consequently, at a Distribution Rate of 6.4567% the Distribution Amount for this Distribution Period will be 162.7442 cents per security. Please refer to the Explanatory Memorandum dated 28 August 2012 for information as to how Distribution Amounts are calculated.

Please contact the undersigned in relation to any queries.

Yours faithfully

Carl Bicego
Company Secretary
