Company Announcements  
Australian Stock Exchange Limited  
20 Bridge Street  
SYDNEY NSW 2000

Dear Sir / Madam,

**CHEDHA HOLDINGS CHANGES ITS NAME TO VICTORIA POWER NETWORKS**

Spark Infrastructure advises that following the passing of shareholder resolutions and the recording of the name change by the Australian Securities and Investments Commission, CHEDHA Holdings Pty Ltd has changed its name to Victoria Power Networks Pty Ltd (Victoria Power Networks) effective 12 December 2012.

This initiative follows the re-naming of SA Power Networks (formerly ETSA Utilities), which took effect on 3 September 2012, and is designed to ensure consistency across the businesses in the group.

Victoria Power Networks, in which Spark Infrastructure holds a 49% interest, is the holding company for CitiPower and Powercor Australia.

The name change will not impact the branding and public interface of CitiPower and Powercor Australia which will continue to apply unchanged.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "Alex Finley". The signature is stylized and cursive.

**Alexandra Finley**
