Dear Alexandra,

We refer to correspondence from the ASX on 20 June 2012, responding to Stellar Resources Limited's (ASX Code: SRZ) (the Company) incorrect classification of restricted securities subject to escrow.

On 31 January 2012, an Appendix 3B lodged with the ASX was incorrect in as far as it included escrowed shares as part of the quoted line: we confirm that the shares issued on this date have always been classified as restricted securities and subject to escrow.

An amended Appendix 3B with the correct classification of the issued capital of the Company, organised by quoted and unquoted (restricted) securities shall remedy the position.

Yours sincerely,

Christina Kemp
Company Secretary
