

12 November 2012

## Quickflix to go live on Microsoft Xbox 360®.

Sydney: Quickflix Limited (ASX: QFX) today announced that the highly anticipated launch of its digital streaming service on the Microsoft Xbox 360 console, will proceed this Wednesday 14<sup>th</sup> November. The partnership, originally scheduled for an October 30 launch, will see Quickflix's unlimited movie and television subscription service available to Microsoft Xbox Live Gold subscribers within the universe of over 1 million connected Xbox consoles in Australia and New Zealand.

The state of the art application will make full use of the game console's Kinect features of gesture and voice control for browsing and playing movies and television programs, on demand, at home.
