22 November 2012

Correction to Form 604

I refer to the Form 604 lodged on 19 November 2012 by me and the entities listed at Annexure A on that form.

There is an inadvertent typographical error in the reference to the present votes held at item 2.

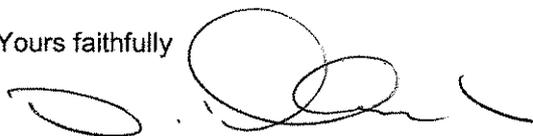

The number of votes should read 30,155,473.

The percentage voting power of 31.95% is stated correctly.

The table at item 2 should read:

Class of securities (4)	Previous notice		Present notice	
	Person's votes	Voting power (5)	Person's votes	Voting power (5)
Ordinary shares	13,722,887	17.88%	30,155,473	31.95%

Yours faithfully

Duncan Hardie
