21 March 2012

Viento Board Appointment

Viento Group Limited (Viento) today announces the appointment of Mr John Silverthorne to the Board.

John is a substantial shareholder in the company and was invited onto the board to assist in development of the new Mining Services division.

With over 33 years of experience in the earthmoving and resources industries, John has managed a variety of small and large projects in both the public and private sectors. John was a founding partner in the company that has become NRW Holdings Ltd (NRW) now capitalized at over \$1 billion.

John and his partners established NRW in 1994 and listed on the ASX in 2007. The group has successfully overcome the GFC and continued its stellar performance.

John brings this expertise to the Board and management of Viento.

Executive chairman, Mr Nichevich said, "We are pleased that Mr Silverthorne accepted the company's invitation to join the board. Mr Silverthorne will add significantly to our ability to successfully develop and grow the new Mining Services division."
