Viento Utility Services awarded first contract

Viento Group Limited (“Viento”) wishes to advise that its subsidiary Viento Utilities Pty Ltd (VUS) has been awarded the design and construction of two Low Voltage Transportable Switch rooms and Motor Control Centres for iron ore projects in the Pilbara. The contract, valued at circa \$900,000, represents the first contract award for VUS. VUS provides infrastructure and asset management services for utilities in the resource and energy sectors.

John Prichard, Managing Director of VUS, commented that “the award of our first contract after just over three months of operation is an exciting milestone for the VUS business, and validates the Viento’s decision to establish a business in the utilities sector.”
