Viterra to host fourth quarter/year-end conference call and webcast on January 18, 2012

Mayo Schmidt, President and Chief Executive Officer of Viterra, invites you to join him for a conference call on Wednesday, January 18, 2012 at 5:30pm MT, (7:30pm ET) to discuss Viterra's fourth quarter and year-end results from October 31, 2011. A question and answer period will follow. Viterra's results will be available on their website at www.viterra.com following the SEDAR filing.

Conference Call Access

Approximately ten minutes before the start of the call, contact the conference call operator at:

Canada/US: 877-240-9772
International: 800-2787-2090

Please note: You will also need to dial the international access code of your country.

Webcast Access

The conference call will be simultaneously webcast on Viterra's website. To pre-register, please go to <http://www.viterra.com/portal/wps/portal/global/global/investors>. Participants will require Windows MediaPlayer or Real Player in order to view the webcast.

Conference Call Replay

A replay of the call will be available until midnight (MT) on February 01, 2012.

Canada/US: 800-408-3053
International: 800-3366-3052
Pass Code: 1186261

Please note: You will also need to dial the international access code of your country.

Webcast Replay

For those wishing to view the webcast following the meeting date, please use the following link, http://www.viterra.com/portal/wps/portal/global/global/investors/presentations_events/quarterly_webcasts.

About Viterra

Viterra provides premium quality ingredients to leading global food manufacturers. Headquartered in Canada, the global agri-business has extensive operations across Canada, the United States, Australia and New Zealand, as well as a growing international presence that extends to offices in Japan, Singapore, China, Vietnam, Switzerland, Italy, Ukraine, Germany, Spain and India. Driven by an entrepreneurial spirit, Viterra operates three distinct business segments: Grain Handling and Marketing, Agri-products and Processing. Viterra's expertise, close relationships with producers and superior logistical assets allow the company to consistently meet the needs of the most discerning end-use customers, helping to fulfill the nutritional needs of people around the world.
