## **Board Appointment - Mr Jimmy Lee Golden West Resources Limited becomes substantial shareholder.**

The Directors of West Peak Iron Limited ("West Peak" or the "Company") are pleased to announce the appointment of Mr Kong Leng (Jimmy) Lee to its board of directors.

Mr Lee provides mining and corporate advisory services to the mining industry, is a qualified mining engineer and a member of the AusIMM. He has more than 30 years of mining industry experience and has successfully worked with a number of major Australian mining companies. He has held senior positions with Hamersley Iron Ltd, Dominion Mining Ltd, Christmas Island Phosphates Ltd, North Ltd, Carey Mining Ltd, and was formerly a founding director of Terrain Minerals Limited.

Mr Lee also currently serves as a non-executive director of Golden West Resources Limited (ASX Code: GWR). The Directors of West Peak also wish to advise that the Company, in consultation with the Underwriter of the recent entitlement issue, has accepted an application from GWR to participate in the entitlement issue shortfall of 12,000,000 shares, giving GWR a 18.6% shareholding in WPI.

Commenting on the appointment of Mr Lee, and GWR becoming a substantial shareholder in WPI, Mr Graham Marshall, Chairman of WPI, said:

"Mr Lee and has a wealth of mining industry experience and an extensive contact network within the mining industry. His appointment is a welcome addition to our board. We are also delighted to have attracted the interest of a substantial and successful Company such as GWR and see their interest in our Company as an endorsement of the potential of our assets, both in Western Australia and West Africa. We welcome Mr Lee to our board and GWR to our register".

Yours Faithfully  
By Order of the Board

Mathew Walker  
Executive Director
