- 4 Do the ⁺securities rank equally in all respects from the date of allotment with an existing ⁺class of quoted ⁺securities?

If the additional securities do not rank equally, please state:

- the date from which they do
- the extent to which they participate for the next dividend, (in the case of a trust, distribution) or interest payment
- the extent to which they do not rank equally, other than in relation to the next dividend, distribution or interest payment

The shares will rank equally with all fully paid ordinary shares from date of allotment

- 5 Issue price or consideration

The shares were originally issued as partly paid to 1 cent per share, with an uncalled amount of 9 cents per share.
