Dear Sir/Madam,

**MARKET UPDATE ON VOLUNTARY SUSPENSION  
ALEATOR ENERGY LIMITED (ASX: AWD)**

The company continues to progress its capital raising initiatives and as a result will be required to be in voluntary suspension for a longer period of time to allow matters to be finalised.

It is expected that AWD will require up to 2 weeks from today to finalise all of its planned capital raising activities and will remain in voluntary suspension until market open on the 26<sup>th</sup> September 2012.

Aleator looks forward to making a more detailed and updated announcement in respect of these matters by close of business on Friday 14<sup>th</sup> September 2012.

The company is not aware of any reason why the voluntary suspension should not continue until that time.

Yours faithfully,
