# LAKES OIL NL

## **MOREYS-1 Update**

**Moreys-1 Rig on site**

Lakes Oil NL advises that its Morey-1 well, in PEP169 on-shore Otway Basin, was at a depth of 735m at 8 o'clock this morning.

The plan is to drill ahead through the Dilwyn Formation towards the first target interval at 1740 metres.

Moreys-1 is being funded by Armour Energy Ltd to a cost of \$2.5M to earn a 51% interest in PEP169.
