## **ASX ANNOUNCEMENT**

### **MARINER SELLS VIENTO STAKE**

Mariner has sold all of its shares in Viento Group Limited (ASX:VIE) on market over the last few days.

Mariner originally acquired a 10% stake in Viento in April 2011 at 17 cents per share. Over the last 10 months, since becoming a Viento shareholder, Mariner has agitated for change at Viento, and as a consequence significant change has occurred. As a result, Mariner has recently been able to sell its shares for prices between 17 and 21 cents.

The sell down of our Viento stake is consistent with Mariner's mandate to realise investment positions at the right time, generally when we believe further investment returns in a particular company cannot be maintained at our target levels.

A Notice of Ceasing to be a Substantial Holder has been lodged with Viento today.
