## **DAVID JONES RESPONSE TO UNSOLICITED APPROACH**

The Chairman of David Jones Limited, Mr Robert Savage this morning advised that the Company had received an unsolicited letter from a non-incorporated UK entity, about which no usual public information is available, indicating its interest in making an offer for the Company. The Directors do not believe they currently have relevant information to enable them to qualify or value the approach but, should this change, will advise the market accordingly. In the meantime the Directors recommend that shareholders treat any related market comment cautiously.
