

## ASX Release

8 November 2012

### **GRG International acquisition delayed of Triton RE Acquisitions LLC and equity in Triton Systems of Delaware LLC**

In relation to GRG International Limited's (ASX: GRG) press release dated 6 September 2012 regarding the transaction noted above, GRG advises that the completion of the transaction, originally scheduled to occur on or about the 5<sup>th</sup> of November, has been delayed until the week of December 17<sup>th</sup>, approximately 45 days.

The delay is due to the timing of funds being provided through GRG International's funding partner. The lender has experienced delays in making the funding available as they wait for other upstream transactions to complete that are not related to the Triton and GRG International transaction. The board of GRG International has been assured this is only an issue of timing and the lender remains confident in their irrevocable commitment to provide the funding for this transaction.

The owners of Triton Systems are aware of the delay. GRG International remains confident that this acquisition will complete and look forward to closing the transaction.
