SKILLED GROUP LIMITED – ORGANISATIONAL RESTRUCTURE

SKILLED Group Limited (“SKILLED”) (ASX: SKE) today announced a restructure of its operations into three divisions:

- Staffing Services
- Engineering and Marine Services
- Business Services

The restructure reflects the different customer needs and organisational capabilities required for success in the markets that we operate in. It will enable SKILLED to provide greater focus on developing and capitalising on growth opportunities within clearly defined lines of business, assist in sharing best practice among related businesses and streamline management decision making.

It will deliver a further ~\$4M in cost savings in FY 2010 in addition to ~\$40M of ongoing savings achieved in FY 2009.

The Staffing Services division brings together all of the recruitment and labour hire brands including:

- SKILLED (blue collar labour hire)
- TESA (coal mining labour hire)
- Swan Contract Personnel (technical and engineering professionals)
- Extraman (mining and resources labour hire)
- Mosaic (white collar recruitment)
- Origin Healthcare (healthcare para-professionals)
- PeopleCo (local recruitment for small to medium enterprises)

The Engineering and Marine Services division is comprised of:

- Offshore Marine Services (offshore oil and gas manning business)
- ATIVO (maintenance and project services)

The Business Services division includes the internal shared service operations and external outsourcing business:

- Excelior (customer call centre and business process outsourcing)
- SKILLED Shared Services (back office processing)

SKILLED Group will report results for the year ended 30 June 2009 on Wednesday 19 August. The Company will commence reporting its financial performance under the new organisational structure in the 2009/2010 financial year.
