APPOINTMENT OF DIRECTOR

We advise that Jon Osborne has been appointed a director of the company.

As advised on 5 June 2009, Jon is currently the acting CEO of the company and I am delighted that he has accepted a board appointment after 12 days managing our company.

Jon has a proven track record in business development within the technology based SME sector. I expect that he will provide the board with significant expertise with regard to the development of our online platforms and with the management of our sales and marketing activities.
