ASX ANNOUNCEMENT

PLACEMENT TO RAISE \$1.9 MILLION COMPLETED

The directors of A1 Minerals Limited (A1 or the "Company") are pleased to announce that the Company has finalised a placement of approximately 10.4 million new shares at an issue price of \$0.19 each to raise approximately AUD\$1.9 million, after costs. The placement was completed without brokerage and associated costs.

The placement, which has been made to private investors including employees and contractors and has been made pursuant to the Company's ASX Listing Rule 7.1 (15%) placement authority ("Initial Placement").

The funds will be used for working capital and to help fund tenement expenditure requirements on the A1's extensive ground holdings.

The directors are of the view that this raising together with the recently completed non-core tenement sale, that netted AUD\$1m, will provide the group with sufficient funding for the immediate future.

The directors have also resolved to issue 500,000 ordinary shares following completion of the purchase of an exploration tenement (previously announced) adjacent to the Beta Gold Mine, as part of the South Laverton portion of the BrightStar Gold Project.

Details of both share issues are set out in an Appendix 3B which is attached for immediate release.

Yours sincerely
On behalf of the Board

Mark Pitts
Company Secretary
