ASX Announcement

PROGRESS UPDATE RGM ACQUISITION

2 September 2009, Melbourne: The Board of Biosignal (ASX:BOS) is pleased to advise the market that it has made substantial progress toward the completion of its purchase of the assets of RGM Entertainment Pte Ltd (RGM) and its associated group companies.

BOS and RGM are in the final stages of completing due diligence in respect of the assets to be purchased by BOS, and it is further anticipated that the parties will exchange final sale and purchase agreements by the middle of September 2009.

The Board of BOS is working diligently to satisfy ASX requirements to have the trading halt that is currently applied to the shares of the company lifted.

The acquisition of RGM remains subjected to further due diligence, BOS shareholder approval and certain specified conditions precedent and subsequent.

The Board of BOS will keep the market informed as progress is made toward the completion of due diligence and definitive documents for this transaction.
